## Dress Code Guidelines

### *Need help with dress code?*

- Access the dress code exchange! Turn in your child's too-small clothes for some that are the right size. See Mrs. Caudillo for help.
- Talk to any staff member and we will get you connected to Mrs. Caudillo for additional support with pants, shoes, etc.

### *What happens if we forget to wear dress code?*

We want to help! We will provide a dress code shirt for the day because we don't want anyone to feel left out or embarrassed. The shirts will be returned at the end of the day to be laundered. If this happens often, we will send a reminder about our Dress Code Policy.

### *Why is there a dress code?*

In spring of 2018, students, staff and families came together and voted to maintain our dress code. As a community, we believe it communicates the importance and professionalism of school.
